MOU with PAPA KURA CITY FC

We have just renewed our Memorandum of Understanding with Papakura City FC. The MOU allows our two clubs to partner together to establish an integrated player development pathway, for all ages and levels of the game.

The MOU allows, both clubs will work together in a more cohesive approach to ensure:

- Coordination of coaching and referee training
- Provision of coaching support
- Utilization of Skills Centers, GK coaching sessions, Summer leagues etc.
- Pooling of resources when entering teams around player excesses/shortages
- Promotion of Talent Pathways
- Invitations to tournaments and programmes

The MOU has already been in place for 12 months and has been working very successfully. We have developed a great relationship with their club and we are grateful for the additional coaching and support they have provided to us, particularly in regards to our Small Whites, 9th Grade and girls players. We look forward to working together with them in the future.

SMALL WHITES

This year, as part of our MOU with Papakura City FC are 6-8 year olds, began playing in the Small Whites programme at McLennan Park. This saw a move away from the Saturday mornings at Te Puru to playing a series of three games every Friday evening.

Our four teams: the Colts, the Cyclones, the Chiefs and the Crusaders have joined with numerous other teams from Papakura City FC and Waiau Pa to play in this programme.

A reminder to all 7 and 8 year olds playing in this Small Whites competition that you are also able to attend the development sessions on a Wednesday night for more skill based trainings. These are a great addition to the Small Whites games sessions. Please see your managers for more information.
