CLUB UPDATES

We currently have 86 kids registered in our junior teams. We have 4 Kura Kicks/Small Whites teams who play on a Friday night at Papakura City FC (the u8 Chiefs, u7 Cadets, u6 Cardinals and the u5 Comets). And we have four teams who play in the NRF Competition at a Junior Level (the u12 Cobras, u11 Cheetahs, u10 Colts and the u9 Cyclones).

Our club runs on the commitment of volunteers. We appreciate all the time and effort our coaches, managers and committee members – we could not do it with out their support. We encourage any of you who would like to be more involved to let us know...we would love to have you on board.

CLEVEDON SHOWGROUNDS RESERVE USERGROUP

The Clevedon Showgrounds Reserve User Group has been set up in preparation for work on revising the Reserves Masterplan in line with what the user groups hope to achieve leading into the future.

Debbie White is the Independent Chair of the User Group, Kate Keane is the Rural Sports Representative and Ben Herlihy is the Sports Representative.

CFC falls under the Sports Users Group and, with the other sporting codes who utilize the Showgrounds we have been working together towards achieving consensus on a 'strategic plan' for our end of the Clevedon Showgrounds. All sporting codes have submitted their wish lists, recommendations and requirements for incorporation into this document. This will be submitted to both the Local Board and Auckland Council, and eventually be incorporated into their Masterplan for the Showgrounds. We will keep you updated as to progress.

CLEVEDON MEN'S TEAM

It's great to have the Clevedon Men's Team – The Expendables back to both play, and train at the Showgrounds. The Men's Team will have representation on our CFC committee moving forward and we will bring you updates as to their progress during the season.

POHUTAKAWA COAST TIMES
